Controllers are available in Indigo (above), Black (left), and Spice (bottom).

(PN 46501)

**Memory Card (PN 46502)**
The Memory Card is used for saving game play data. Any game that requires the saving of game data, must use a memory card.

**Audio/Video Cable (PN 35846)**
This is the standard cable used for hooking a Nintendo GameCube to a TV or VCR. This is the same cable that was used for the Nintendo 64 and Super Nintendo Entertainment System.

**Component Video Cable (PN 46496)**
This is an optional hook-up, and it is sold seperately from the Nintendo GameCube. This cable is used only with higher end TVs and VCRs.

**AC Adapter (PN 46495)**
The AC Adapter is used to supply power to the Nintendo GameCube.
